Summary of Discussion & Actions Agreed

- Jason and Elaine outlined their ideas for a computing history centre in Haverhill. Lisa expressed her support for the project.
- Jason reported that he had recently presented his ideas to Haverhill Enterprise who are very supportive.
- All agreed that immediate actions should include setting up a steering group/committee and finding premises. **All to think of possible committee members and/or premises before next meeting.**
- All agreed that it would useful for the Centre to have a household name/local celebrity associated with it. **All agreed to think of potential candidates before next meeting.**

Date of next meeting: January 2007
