

Okay, like them or hate them, you have to admit that computers have, over the past 40 years radically changed our lives in so many ways!

The Centre for Computing History is a computer museum based in Suffolk but plans to move to **Cambridge** very soon.

And we need your support!

Please text **COMP10 £2** to **70070**
to donate just £2 to help our move ...
You can donate larger amounts too if you want :-)

Thank you ...
