

RANDOM ACCESS MEMORY

A GAME OF COMPUTING HISTORY KNOWLEDGE

Subject: Computer Games

WINNING WORD CLUE

The first home video game console.

How to play...

Test your memory power by filling in the answers to each clue in the horizontal spaces below.

If all your answers are correct, the letters in each highlighted box will spell out the winning word vertically at the end.

Stuck on a question? Just search at computinghistory.org.uk to see if you can discover the correct answer from our huge database of computer related artefacts, people and events.
